## SUPPORTERS

We have a Supporter page which provides an outlet for those who own a business that donates to or otherwise supports our rescue. FM685 Animal Hospital in Hutto and Pflugerville provides discounts for our rescue and adopters, as does Signature K9 Training Academy. "Gracie to the Rescue" recently donated "Adopt Me" collars and also offers a website discount. "Design it Yourself Gifts and Baskets" helps animals in need in

the Houston area. If you have a business and would like to support us, please contact Cyndi at [cslevsque@outlook.com](mailto:cslevsque@outlook.com) to be placed on the Supporter website page.

## STORY ABOUT MY DOGS by Marc Levesque

*If you have a story about your dog or dogs, please e-mail to [cslevsque@outlook.com](mailto:cslevsque@outlook.com)*

Why am I writing about my dogs? Recently I listened and partly saw a video on Facebook / You-tube about a guy who rescued 9 dogs at the time of the video. It inspired me to write about rescuing dogs. There is nothing better for coming home, no matter how bad or good a day you have had, how long you have been away, whether a few minutes or all day, than to see them almost breaking their backside wagging their tails to let you know how much they were happy to see you.....You will not regret adopting a pet! *READ THE REST of the story on our website here:*
